

Toys last a few months, the Gift of Learning a Foreign Language Lasts a Lifetime!

Give the gift of a foreign language this holiday season or anytime of year!

Lango Foreign Languages for kids runs foreign language programs for kids from 18 months old - 5th grade in Spanish, French and Mandarin Chinese in small-group, one hour, full immersion classes 1-2 times per week. Our teachers use culturally based music, art, games, and stories to teach your child a second language in an environment they'll love.

Now is the Perfect Time Because ...

- The language acquisition window closes at 10 years old. After that, learning a new language is much more difficult.
- Kids who learn a second language have been shown to perform better in other subjects including math and English.
- Learning a second language is crucial in developing an understanding & sensitivity about new cultures.

Lango is different than other language programs because:

- Lango is a dynamic curriculum that uses stories, games, songs and art projects to immerse students in the language.
- Lango teachers are engaging and experienced. They are fluent speakers and are extensively trained in the Lango curriculum.
- Lango classes are kept small to promote student/teacher interaction.
- Lango establishes regular parent communication and involvement for every student in every class.

If you would like to give the gift of a Foreign Language to someone you love, either e-mail the information below to Elise Luter at eluter@langodenversouth.com or mail it to her at 7463 S. Curtice Ct. Littleton, CO 80120.

Keep the bottom half to give to the children to let them know what their gift is. We will work out the times and sessions with the children's parents or caretakers.
